Note that fees are not covered by Alberta Health Care Plans. We do not direct bill. We will provide an invoice with Dr. Gaul's Alberta Registration No. and any other documentation required by your insurance provider. Many third party insurance programs that are employer supplied cover naturopathic consultation and lab services, a handful will also cover supplements. Contact your insurer directly to determine if you can claim your naturopathic medical expenses. Those individuals who have no third party plan can now, as of August 2012, claim these expenses against their taxes.
